TERMS OF ADMISSION TO COLLEGE.

All candidates for admission to College must present satisfactory testimonials of good moral character ; and, if from other Colleges, of unexceptionable standing.

Candidates for the Freshman Class are examined in the following books :

GREEK.

Xenophon's Anabasis, five books ; Homer's Iliad, three books ;* Greek Grammar, including Prosody.

LATIN.

The whole of Virgil ; Cicero's Select Orations ; Sallust ; Andrews and Stoddard's Latin Grammar, including Prosody ; Writing Latin.

MATHEMATICS.

Arithmetic ; Chase's Algebra, through Equations of the First Degree.

ENGLISH.

English Grammar ; Ancient and Modern Geography.

Candidates for advanced standing, *in addition to the above studies*, are examined in the studies that have been pursued by the Class which they propose to enter, or in others equivalent to them.

The times for examination are the Tuesday before Commencement, and the close of vacation immediately following.

Persons, who desire to attend the Lectures and Recitations of particular departments only, may have that privilege—provided, they are prepared to enter upon the studies of such departments, and become subject to the laws of College, as other students, so far as may be designated by the Faculty.

NOTE.—*It is very important that the candidates for admission should be thoroughly prepared, particularly in elementary knowledge. The deficiency of many in Greek, Latin, and English Grammar, in Prosody, Latin Composition, Arithmetic, and Geography, makes it necessary to require especial attention to these branches of the preparatory course.*

---

* Felton's Greek Reader, is accepted as an equivalent to these requisitions in Greek ; or Jacobs', Colton's, Owen's, Spencer's Greek Reader, with the Four Gospels.

LECTURES.

Occasional Lectures are delivered by the President to the Senior Class, on subjects relating to the Studies of the year.

Courses of Lectures are also delivered during the year :—

By Professor HUBBARD, on Chemistry and Geology, to the Seniors, and on Mineralogy to the Juniors.

By Professor LONG, on Intellectual Philosophy and Political Economy, to the Seniors.

By Professor BROWN, on Rhetoric and Belles Lettres, to the Seniors and Juniors.

By Professor NOYES, on Theology and Moral Philosophy, to the Seniors and Juniors.

By Professor PEASLEE, on Anatomy and Physiology, to the Seniors.

By Professor WOODMAN, on Civil Engineering, to the Sophomores and Second Chandler Class.

By ——— ———, on Natural Philosophy and Astronomy, to the Juniors.

By ——— ———, on History, to the Sophomores.

EXAMINATIONS.

There are two Public Examinations of the several Classes, one at the close of the Fall Term, and the other immediately before Commencement. Each Examination is conducted in the presence, and under the direction of a committee of gentlemen of education, invited by the Faculty to attend for that purpose. The committees are expected, at the close of the Examination, to express their judgment upon the merits of each student.

The following Gentlemen were the Committees for the Academical year 1858–59.

NOVEMBER EXAMINATION, 1858.

Rev. Leonard Tenney, *Thetford, Vt.*

LIBRARIES.

There are three Libraries accessible to the students, beside those of the Medical School, and the Northern Academy of Arts and Sciences. An annual ap-

propriation is made for the increase of the College Library. The Libraries of the two Literary Societies are increased by annual donations from each.

The number of books in the different Libraries connected with the College, is as follows :—

College Library (exclusive of pamphlets), about	14,957
Social Friends' Library, - - -	7,950
United Fraternity's Library, - - -	7,589
Society of Inquiry's Library, - - -	326
Philotechnic Society's Library, (Chandler School,)	620
Medical School Library, about - - -	1,100
Northern Academy Library, about - -	2,300
Total, - - -	34,842

APPARATUS.

In addition to the usual Apparatus for illustrating the several branches of Physical Science, the College is furnished with the best instruments now used in Practical Surveying and Engineering.

THE SHATTUCK OBSERVATORY.

Through the munificence of the late George C. Shattuck, LL. D., of Boston, an elegant building has been erected for an Astronomical Observatory, and furnished with the requisite Instruments and Books.

MINERALOGICAL CABINET.

The Hall Cabinet, presented by the late Prof. Frederic Hall, LL. D., of Washington City, contains a large collection of specimens of rocks, minerals, and fossils, both American and foreign, sufficient for extensive illustration in Mineralogy and Geology.

The instruction in Geology is aided by a series of well-executed drawings on a large scale.

The Chemical Laboratory is amply furnished with Apparatus and Chemicals for the illustration of the Lectures in that department.

FUNDS FOR THE ASSISTANCE OF INDIGENT STUDENTS.

Indigent students, belonging to New Hampshire, are assisted, in respect to tuition, by funds derived from the income of certain lands granted by the State.

Students, preparing for the Ministry, receive appropriations from funds given for their particular benefit.

These several funds now yield an income of about fifteen hundred dollars, which is distributed according to the necessities of students, in sums varying from twelve to forty-two dollars.

RESIDENT GRADUATES.

Graduates of this or other Colleges, desirous of pursuing their studies in Hanover, are allowed, as Resident Graduates, to attend the Public Lectures of the College, and to use the Library and Scientific Collections, subject to such rules as the Faculty may establish.

DEGREE OF MASTER OF ARTS.

The Degree of Master of Arts is conferred, in course, on any Bachelor of three or more years' standing, on the payment in advance of the usual fee of five dollars. Application should be made to the President or to the Treasurer as early as the day before Commencement.

EXPENSES.

Tuition, - - - -	$42.00
Room-rent, - -	from 6.00 to 12.00
Board, from $1.50 to $2.50 per week ; for 39 weeks, -	from 58.50 to 97.50

Students, whose circumstances render it necessary for them to take schools in the Winter, are permitted to be absent fourteen weeks from the close of the Fall Term.

CHANDLER SCIENTIFIC SCHOOL.

This department of instruction was established by a resolution of the Trustees, in acceptance of the sum of *Fifty Thousand Dollars*, bequeathed to them, in trust, by Abiel Chandler, Esq., late of Walpole, N. H., and formerly of Boston, Ms.

Mr. Chandler gives and devises the above sum to the Trustees of the College, "to carefully and prudently invest or fund the principal sum, and faithfully apply and appropriate the income and interest thereof for the establishment and support of a permanent department or school of instruction in the College, in the practical and useful arts of life, comprised chiefly in the branches of Mechanics and Civil Engineering, the Invention and Manufacture of Machinery, Carpentry, Masonry, Architecture, and Drawing, the Investigation of the Properties and Uses of the Materials employed in the Arts, the Modern Languages, and English Literature, together with Book-keeping, and such other branches of knowledge as may best qualify young persons for the duties and employments of active life."

TERMS OF ADMISSION.

Candidates for the First Year (Fourth Class) must present satisfactory testimonials of good moral character; be fourteen years of age; and be well prepared for a complete examination in Reading, Spelling, Penmanship, English Grammar, Arithmetic, Geography, and the outlines of General History. A previous study of Plane Geometry, and Algebra through Simple Equations, is of great advantage, and is earnestly recommended. Candidates for advanced standing must also be prepared for examination in the studies which the Class have pursued in addition, or a satisfactory equivalent, and be proportionally older. A limited number of indigent and worthy students receive gratuitous instruction.

None are admitted for less than two Terms.

DEGREE OF BACHELOR IN SCIENCE.

Those completing the regular Course of four years, and passing a satisfactory examination, will be entitled to the Degree of Bachelor in Science.

RESIDENT GRADUATES

Will be instructed in the following advanced subjects, through an additional Course of one or two years : Analytical Chemistry ; Analytical and Celestial Mechanics ; Application of Mechanics to Carpentry and Masonry continued ; Mechanical Agents ; Geodesy ; Practical Astronomy ; The Arts of Design with reference to their application to the Useful Arts.

TUITION.

In all cases payable in ADVANCE, at the beginning of each Term, $12 per Term, or per year, $36, in the Third and Fourth Classes ; and $14 per Term, or per year, $42, in the First and Second Classes. The entrance fee for advanced standing is $5 to the Third Class, $10 to the Second Class, and $15 to the First Class.

The Terms, Vacations, and Examinations are the same with those in the College.

☞ Those wishing further information respecting the Chandler Scientific School, may address John S. Woodman, A. M.

MEDICAL INSTITUTION.

LECTURES.

The Annual Course of Medical Lectures begins on the Thursday succeeding Commencement, and continues fourteen weeks. The Fee for the Course is Fifty Dollars, which also entitles to the use of the Library. The students have free access to the Anatomical Museum, to the Cabinet of Materia Medica and Medical Botany, and to the extensive Cabinet of Mineralogy and Geology. Surgical operations are performed before the Class *gratuitously* to patients.

GRADUATION.

Each Candidate for the Degree of M. D. must be twenty-one years of age ; must possess a good moral character, an acquaintance with Natural and Experimental Philosophy, and a knowledge of the principles and construction of the Latin Language ; must have studied Medicine three full years, with some regular practitioner ; must have attended two courses of Public Lectures in all the branches of the profession, at a regularly organized Medical Institution, one of which courses shall have been at this Institutlon ; must have passed a successful private examination before the Medical Faculty ; and must have prepared, to read and defend in their presence, an acceptable dissertation on some Medical subject.

The Graduating Expenses are Eighteen Dollars.

Those wishing further information respecting the "New Hampshire Medical Institution," may address E. R. Peaslee, M. D., Secretary of the Medical Faculty, or any one of the Professors.
